

Vendor Information

Commercial snow and ice management | Tri-State & Westchester

SERVICES

Snow plowing: Parking lots, access roads and loading areas.

Sidewalk and walkway crews: Entrances, stairs, ramps and tight spaces.

De-icing and salting: Pre-treatment and post-storm applications.

Snow hauling and relocation: Removal of accumulated piles.

Storm response and season planning: Site walks, written snow plans and 24/7 storm dispatch.

COVERAGE & PROPERTY TYPES

Commercial site inquiries across **New York, New Jersey, Connecticut and Westchester County**, including NYC's five boroughs. Service is subject to site review and route availability.

Commercial properties only: condominiums and HOAs, retail and shopping centers, offices, hotels, industrial and warehouse sites, and medical and critical facilities.

SERVICE ARRANGEMENTS

Seasonal, per-storm/per-push, and time-and-materials options. Scope, service triggers and pricing are confirmed in a written agreement. Documented visits include timestamped logs and photos.

REQUEST AN INSURANCE CERTIFICATE

General liability and workers' compensation certificates are available on request. Email **carlos@jlconstructiongroupllc.com** with the subject **Insurance Certificate Request - [Property Name]**.

Include the property address, certificate holder's exact legal name and mailing address, your contact information, delivery email and requested deadline. Attach any insurance requirements or sample certificate wording for review.
